UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

August 24, 2020

[REDACTED]

[REDACTED]

[HOME ADDRESS DELETED
UNDER 10 CFR 2.390]

SUBJECT: NUCLEAR REGULATORY COMMISSION OFFICE OF INVESTIGATIONS
REPORT NO. 2-2018-033

Dear [REDACTED]

This refers to an investigation completed on October 3, 2019, by the U.S. Nuclear Regulatory Commission's (NRC) Office of Investigations (OI) to determine, in part, whether you, the [REDACTED], engaged in deliberate misconduct, in violation of Title 10 of the *Code of Federal Regulations* (10 CFR) 50.5, "Deliberate Misconduct," that caused an NRC licensee to be in violation of 10 CFR 50.7, "Employee Protection." As a result of the investigation, the NRC provided you, by letter dated March 2, 2020, the opportunity to attend a closed predecisional enforcement conference (PEC) to discuss this apparent violation, its causes, and your corrective actions. The conference was held on June 24, 2020.

Based on the NRC OI investigation, statements at the PEC, exhibits, and supplemental information, the NRC concluded that your actions did not constitute deliberate misconduct. Therefore, individual enforcement action against you is not warranted. Nonetheless, your actions contributed to a violation of NRC requirements. A copy of the enforcement action issued to the Tennessee Valley Authority (TVA) is enclosed.

You are not required to respond to this letter. However, if you choose to provide a response, your response should be sent to the Director, Office of Enforcement, U.S. Nuclear Regulatory Commission, Washington, DC 20555-001, and marked "Open by Addressee Only," within 30 days of the date of this letter. If you have any questions concerning this matter, please contact Catherine Thompson at 301-287-9515 or email catherine.thompson@nrc.gov, or Ian Gifford at 301-287-9216 or email ian.gifford@nrc.gov.

This letter, and your response, if you choose to submit one, will not be made publicly available either electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). However, you should be aware that all final NRC documents, including the final OI investigation report, are

official agency records and may be made available to the public under the Freedom of Information Act (FOIA), subject to redaction of certain information in accordance with the FOIA. In addition, this letter will be maintained by the Office of Enforcement in an NRC Privacy Act system of records, NRC-3, Enforcement Actions Against Individuals. The NRC-3 system notice, which provides detailed information about this system of records, can be accessed from our Web site at <http://www.nrc.gov/reading-rm/foia/privacy-systems.html>.

Sincerely,

George A. Wilson
