Subject: NRC Inspection Report - Michael L. Foster & Associates

Greg,

I'd like to thank you for your time and patience these past two weeks during the NRC remote inspection of your licensed activities under your new NRC license based in Sitka, Alaska, on from February 3-12, 2021. As I explained during our preliminary exit briefing yesterday, and confirmed via email today, the NRC has determined that no violations of greater-than-minor significance were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign the document or return it. I do however request a courtesy email response from you acknowledging receipt.

If you have any questions or concerns, please do not hesitate to contact me,
