Dear NRC colleagues,

Thank you again for taking the time to meet with us on September 15, 2020.

Based on that discussion, we've made the requested modifications to our website language as well as Forms A and B, which are outlined in the first attachment. In addition, I've attached a scanned sample IR/CR certificate with the AU-E designation. Due to COVID-19 we won't be issuing new IR/DR certificates until March 2021, which is reflected on that certificate.

We look forward to hearing back from you regarding these requested changes. Of course, please let us know if you have any additional questions.

Be well,  
David
