Dear Ms. Combs,

This acknowledges receipt of your letter dated February 10, 2021, in response to our letter dated January 21, 2021, transmitting a Notice of Violation.

During our teleconference on March 2, 2021, you provided additional information regarding the corrective actions you have taken and plan to take in response to one of the violations identified during the inspection. Based on our conversation, it is our understanding that the date when Mercy Hospital completed its corrective actions for the violation described on page 3 of your letter (listed as, ####/2020) should be listed as 10/27/2020. Thank you for providing this clarification on the effective date for this matter.

We have reviewed your corrective actions, which appear to be adequate, and have no further questions at this time. These corrective actions will be examined during a future inspection.

In accordance with Title 10 of the Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this email will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Please feel free to contact me if you have any questions regarding this inspection. I can be reached at 630-829-9867.
