General Comment

I would like to add my support for license renewal of Point Beach Nuclear Plant (PBNP). As a retired employee that worked in Engineering Support for 17 years I have first hand knowledge of the high quality and constancy of the operation of PBNP. The current owners, NextEraEnergy, put a lot of effort into replacing equipment and training for the plant and has maintained a high level of quality and safety continuously throughout the very trying pandemic period. I wish to give my full support for license renewal of PBNP.

Thank you.
