MEMORANDUM IN SUPPORT

The February 3, 2021 docketing order issued by the Court set several deadlines for Petitioners to address by March 5, 2021. Counsel for Petitioners is not able to meet those deadlines because of several current priority legal matters which also require his attention by and before March 5, 2021. Petitioners thus request a one-week extension of time to comply with the February 3, 2021 Order, including a commensurate extension of the Respondents' filing deadlines also enumerated in that Order.

Counsel has consulted with opposing counsel for the United States, the U.S. Nuclear Regulatory Commission, and Interim Storage Partners, the Intervenor. All opposing counsel have stated that they do not oppose this request.

The milestones and proposed new deadline dates follow:

For Petitioners:

Certificate as to Parties, Rulings, and Related Cases	March 12, 2021
Docketing Statement Form	March 12, 2021
Procedural Motions, if any	March 12, 2021
Statement of Intent to Utilize Deferred Joint Appendix	March 12, 2021
Statement of Issues to be Raised	March 12, 2021
Underlying Decision from Which Appeal or Petition Arises	March 12, 2021

Dispositive Motions, if any (Original and 4 copies) March 29, 2021

For Respondents:

Entry of Appearance Form March 12, 2021

Procedural Motions, if any March 12, 2021

Certified Index to the Record March 29, 2021

Dispositive Motions, if any (Original and 4 copies) March 29, 2021

WHEREFORE, Petitioners pray the Court grant them the requested extensions together with commensurate extensions for Respondents.
