Mr. Torres, I hope you are having a great day.
Only (K) Memorial Hospital of Carbon County is non-mobile.

Thank you.

Mr. Curnutt:

Please review conditions 10.A. through 10.L. (locations of use) and let me know which of these addresses are: 1) "non-mobile" , and 2) which are "mobile" locations in which the mobile coach comes and goes. This information will be incorporated in future amendments.

Thank you.
