Notice of Supplemental Disclosures

Tennessee Valley Authority (“TVA”), pursuant to its continuing disclosure notice under 10 C.F.R. § 2.704(a)(3) and this Board’s grant of the parties’ Joint Motion Regarding Disclosures,¹ is providing notice that it made its supplemental disclosures to the other participants in this proceeding via a Box, a file transfer service. On February 25, 2021, TVA provided to the NRC Staff copies of over 1100 additional records of non-privileged documents, data compilations, and tangible things in the possession, custody or control of TVA that may be relevant to disputed issues alleged with particularity in the pleadings (including the Order).² On that same date, TVA also provided its Privilege Log, Redaction Log, and Confidentiality Log via Box, as outlined in TVA’s February 18, 2021 Initial Disclosures.

¹ Order (Granting Joint Motion Regarding Disclosures), Appendix A (Feb. 8, 2021) (ADAMS Accession No. ML21039A633).

² While 10 C.F.R. § 2.704(d) appears to contemplate the production of copies of these documents to the Board, we understand that production of copies of documents occurs primarily between the parties per 10 C.F.R. § 2.704(a)(2) and thus have only included a brief description of the documents in this filing. *See James Chaisson*, LBP-14-11, 80 NRC 125, 133 (2014) (noting that Mr. Chaisson was to provide his mandatory disclosures to the NRC Enforcement Director).

On March 12, 2021, TVA provided to the NRC Staff two additional email records discovered in its investigative process.

Respectfully submitted,

Executed in Accord with 10 C.F.R. § 2.304(d)
