Subject: FW: Determination of No Effects Regarding Interim Storage Proposed Consolidated Interim Storage Facility, Andrews County, Texas (THC TRACKING NUMBER: 201908232))

Dear Mr. Martin,

Please find attached the letter to Mark Wolfe with the letter's enclosures. I will send the password separately.

Sincerely,

James Park, Environmental Project Manager
U.S. Nuclear Regulatory Commission

Mr. Park,

Mark Wolfe forwarded your email to me, since I am the principal point of contact for Section 106 review. The three enclosures you reference were not included in what he sent to me. Can you please email everything to me directly, including the password you referenced. I will see that everything is tracked in to the correct reviewers and we will respond within 30 days, if not sooner.

Bill Martin

Dear Mr. Wolfe:

The U.S. Nuclear Regulatory Commission (NRC) is providing by this email, a letter addressed to you by which the NRC is requesting concurrence on its determination of no effects for Interim Storage Partners' proposed Consolidated Interim Storage Facility to be sited in Andrews County, Texas (the undertaking).

The letter, which provides support for NRC's determination, references three enclosures that also are provided in this email. One of the enclosures is password protected. The password will be provided separately from this email.

Should you have any questions concerning this matter, please contact me either by phone at 301-415-6954 or by email at James.Park@nrc.gov

Sincerely,

James Park, Environmental Project Manager

U.S. Nuclear Regulatory Commission
