LICENSE NAME AND NUMBER(S) 45-25221-05	MAIL CONTROL NUMBER(S) 591378	

SUBJECT
Additional Information Request concerning the licensee's request to update decommissioning financial assurance instruments following Transfer of Control from Zevacor Pharma

SUMMARY AND ACTION REQUIRED (IF ANY)

This record concerns the licensee's June 30, 2016 Decommissioning Funding Plan (DFP; NRC Accession No. ML16183A318), submitted to meet requirements listed in Title 10 of the *Code of Federal Regulations* Section 30.36(e). It also concerns the licensee's July 23, 2018 Standby Trust Agreement (STA), September 20, 2017 Surety Bond (SB), and July 27, 2018 Certification of Financial Assurance (ML18215A407).

Although the DFP - submitted by predecessor entity Zevacor Pharma - was consistent with cost estimate tables provided in previous cost estimates which had been approved and no additional information is needed from the licensee to complete our review of that DFP, an updated DFP is required pursuant to requirements in Title 10 of the Code of Federal Regulations Section 30.35(e)(2).

In addition, a change to Schedule A of the STA is needed to reflect that the STA applies only to NRC License No. 45-25221-05 and not to License No. 45-25221-01MD.
