Telephone Conversation Record

Date: March 16, 2021
 License No.: 37-23370-01
 Docket No.(no hyphens): 03020982
 Mail Control No.: 624327
 Licensee Name: Prime NDT Services, Inc.
 Participant Name/Title: Warren Shook, Acting Radiation Safety Officer
 Work Telephone No.: 724-561-2387
 Business Cellphone No.: 724-561-2387
 NRC Representative Name/Title: Steven R. Courtemanche/Health Physicist

Subject: Deficiency Telephone Call (RAI)

Discussion: I spoke with Mr. Shook about the application to amend the license. I informed him that we could not remove the facility in PA because that facility was regulated by the Commonwealth of PA and was not on the NRC license. The requests to name Assistant RSO's would not happen because the NRC does not name Assistant RSO' on the license. The company may have them or call them by another name but that would be internal procedure or part of Agreement State licenses. I noted, through various sources, that Mr. Shook worked as part of a consulting service and was named on other Agreement State licenses as the RSO. The Delegation of Authority signed by the President of Prime NDT indicated what the RSO's expected duties were going to be. I requested written confirmation on Prime's letterhead what he expected his time commitment to Prime to be. Mr. Shook agreed to supply me with the information and that he expected that he would be averaging 10 – 20 hours per week. He expected his tour of RSO to be about two years as he would be training his successor.

Action Required: Submit to R1LAT.Resource for inclusion in the licensing folder
