In the Matter of  
TENNESSEE VALLEY AUTHORITY  
(Enforcement Action)  
Docket Nos. EA-20-006 and EA-20-007

Dear Administrative Judges:

The NRC staff hereby notifies the Licensing Board and the parties that the Staff has updated its privilege logs for documents covered by the attorney-client or attorney work product privilege in this proceeding. The updated logs cover the NRC staff's initial disclosures (filed February 18, 2021 and updated on March 5, 2021) and first monthly disclosures update (filed March 12, 2021). The updated privilege logs are appended hereto as Attachment 1 and Attachment 2 and supersede the previous logs.

The privilege log updates are responsive to TVA's request for the Staff to include additional information to clarify the creation dates for certain documents and to provide greater specificity on the nature of the privilege the NRC staff claims.

Judge Ryerson  
Judge Hawkens  
Judge Abreu

The Staff has made a good faith effort to characterize all documents in the updated privilege logs in accordance with the criteria of 10 C.F.R. § 2.709(a)(6)(i)(B). The Staff will preserve and maintain the documents identified in this log during the pendency of this proceeding. In identifying these documents, the Staff does not concede their relevance to the issues to be decided in this proceeding.

Sincerely,
