**SUBJECT: DUFFIELD ASSOCIATES, LLC, REQUEST FOR ADDITIONAL INFORMATION,
MAIL CONTROL NO. 624514**

Dear Mr. Stack:

This is in reference to your letter dated January 25, 2021, requesting to amend your license due to a name change, and notifying us of a change on company ownership for NRC License No. 07-17431-01. In order to continue our review, we need the following additional information:

1. Describe any transfer of stocks or assets.
2. Describe any changes to your Board of Directors. The previous organization chart submitted with your January 16, 2018 letter, showed a Board of Directors.

We will continue our review upon receipt of this information. Please reply to my attention at:

In order to continue prompt review of your application, we request that you submit your response to this letter within 30 calendar days from the date of this letter.

An electronic version of the NRC's regulations is available on the NRC Web Site at: www.nrc.gov. Additional information regarding use of radioactive materials may be obtained on the NRC Web Site at: <http://www.nrc.gov/materials/miau/mat-toolkits.html>. This site also provides the link to the toolbox for updated information on the revised regulations for naturally-occurring and accelerator-produced radioactive materials (NARM).

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>. Please be aware that you may request that certain portions of your submittal to NRC be withheld from public disclosure as proprietary information. To do this, you must execute an affidavit as specified in 10 CFR 2.390. You must list all portions that you wish to be held proprietary, along with your reasoning as to why that is appropriate. While it is allowable, please refrain from submitting proprietary information in support of a license unless necessary. Keep in mind that all NRC licenses are considered to be in the public domain, and therefore may be viewed by any member of the public who requests to see them.

If you have any questions regarding this request for additional information, please contact me at (610) 337-5040 or by electronic mail to Elizabeth.Ullrich@NRC.gov.

Thank you for your cooperation.

Sincerely,

Betsy Ullrich, Senior Health Physicist
