Hi Casey,
Sorry for the delay. Dr. Jiamsripong confirmed Dr. Coel was his supervisor at Queen's. He also indicated that he has since been certified by CBNC, but they have not yet sent out the certificates. Attached is a printout from the website where you can confirm certification status. Let me know if you need anything else.
Thank you,
Ron Frick

Good morning Ron,

Following up, did you hear back from the doctor about the supervising physician for Dr. Jiamsripong?

Thanks,

Casey

Hi Casey,

I am trying to confirm that, right now, and will get back to you when Dr. responds.

Thanks,

Ron

Hi Mr. Frick,

I am working on the amendment request for adding a couple of authorized users. For Dr. Jiamsripong, the Form 313A didn't specify who was the supervising individual for his training. I saw the letter where Dr. Coel signed the preceptor statement. Was he also the supervising individual for the training?

Thanks,
