Subject: NRC Inspection/CardioVascular Consultants of Montana

Chris,

As CardioVascular Consultants of Montana is medical service provider during the COVID-19 Public Health Emergency, I know that there are many other priorities at this time, and I appreciate the support of both you and Josh Penner during the remote NRC inspection.

During the telephonic exit meeting earlier today, I mentioned to you that as a result of the NRC's inspection, no violations were identified. I have attached the final NRC Inspection Report for your records. No response to the NRC Inspection Report is required but an email acknowledging receipt is requested.

Regards and stay safe.
