Re: Nuclear Property Insurance NRC Property Rule
10 CFR 50.54 (W)
Reporting Requirements

The subject NRC reporting requirement stipulates that on April 1, of each year, the licensee for each commercial nuclear reactor site provide to the NRC a description of the nuclear property insurance in force.

Attached is a schedule I have prepared for the current year's filing. I understand that all correspondence to the NRC is to be logged via your established numbering system and distribution of copies made according to your established procedure. Accordingly, please file the original at the appropriate time and make the necessary distribution of copies.
