March 30, 2021

MEMORANDUM FOR: Kevin M. Sligh
Regional Administrator (A), Region V

FROM: Tony Russell
Assistant Administrator (A)
National Preparedness Directorate

A handwritten signature in black ink, appearing to read "Tony Russell", written over a white background.

SUBJECT: Disapproval of the Biennial REP Exercise Cancellation Request for
the Davis-Besse Nuclear Power Station (DBNPS)

Pursuant to 44 CFR Part 350.9(c), "Exercises," the request for approval for relief from the frequency requirement to conduct the biennial radiological emergency preparedness (REP) exercise for the Davis-Besse Nuclear Power Station (DBNPS) is disapproved. We encourage Region V to coordinate with the State and counties to offer postponement to later in CY2021, as appropriate

If you have questions, or additional information is required, please contact David Gudinas, Acting Director, Technological Hazards Division, David.gudinas@fema.dhs.gov.
