Finally, the NRC Staff notes that it has made a good faith effort to identify and characterize all documents meeting the criteria of 10 C.F.R. § 2.709(a)(6)(i), as modified by the Joint Motion Regarding Disclosures submitted by the parties and approved by the Board in its February 8, 2021 Order in this proceeding. In identifying these documents, the Staff does not concede their relevance to the issues to be decided in this proceeding.

Sincerely,
