- We are continuing to process your request.
- See Part I.D -- Comments.

PART I.A -- FEES

AMOUNT

- You will be billed by NRC for the amount indicated.
- You will receive a refund for the amount indicated.
- Fees waived.
- Since the minimum fee threshold was not met, you will not be charged fees.
- Due to our delayed response, you will not be charged search and/or duplication fees that would otherwise be applicable to your request.

PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- We did not locate any agency records responsive to your request. *Note:* Agencies may treat three discrete categories of law enforcement and national security records as not subject to the FOIA ("exclusions"). See 5 U.S.C. 552(c). This is a standard notification given to all requesters; it should not be taken to mean that any excluded records do, or do not, exist.
- We have withheld certain information pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
- Because this is an interim response to your request, you may not appeal at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination.
- You may appeal this final determination within 90 calendar days of the date of this response. If you submit an appeal by mail, address it to the FOIA Officer, at U.S. Nuclear Regulatory Commission, Mail Stop T-6 A60M, Washington, D.C. 20555-0001. You may submit an appeal by e-mail to FOIA.resource@nrc.gov. You may fax an appeal to (301) 415-5130. Please be sure to include on your submission that it is a "FOIA Appeal." Only a pre-registered user may file an appeal through FOIA Online, <https://foiaonline.gov/foiaonline/action/public/home>. A user who has not registered an account prior to filing the initial FOIA request may still submit an appeal by one of the above mentioned options.

PART I.D -- COMMENTS

As reflected in our first interim response to your request, subsequent to our receipt of your request, we reached out to the branch chief who supervises the NRC's Print Shop to ascertain whether the NRC had plans to eliminate the in-house Print Shop and to outsource production printing instead. We learned that the NRC has no such plans at this time. Based upon this information, you withdrew the first part of your request. As a result of our communications with staff in the Office of the Chief Information Officer (OCIO) about the NRC's procurement of multifunctional devices (MFDs), you clarified this portion of your request, seeking (1) reports that each device generates reflecting meter readings and average usage for the past year, and (2) a copy of the current contract under which NRC leases the MFDs.

In our first interim response, we addressed item 1 of your revised request. With this second, and final, response to your request, we are addressing item 2 of your revised request. The records responsive to this item were addressed in a prior FOIA request, FOIA/PA-2017-0210. The incoming request, our Form 464 response, and the two partially released records, may be found in ADAMS, which is the NRC's official recordkeeping system, at ML17122A021. We continue to assert FOIA exemption 4 (see Part 2) for the redactions in these two records.

Records with an ML accession Number are publicly available in the NRC's Public Electronic Reading Room at <http://www.nrc.gov/reading-rm.html>. If you need assistance in obtaining these records, please contact the NRC's Public Document Room (PDR) at 301-415-4737, or 1-800-397-4209, or by email to PDR.Resource@nrc.gov.
