Memo To: Amine M. Zein, D.O.  
From: Emmanuel N. Papisifakis, D.O.  
Subject: Delegation of Authority

You, Amine N. Zein, D.O., have been appointed Radiation Safety Officer and are responsible for ensuring the safe and secure use of radiation and radioactive material. You are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations when justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the U.S. Nuclear Regulatory Commission at any time. You are responsible for spending the appropriate amount of time conducting radiation protection activities.

Emmanuel N. Papisifakis, D.O. Date: 4/5/2021

Emmanuel N. Papisifakis, D.O.  
Executive Management

I accept the above responsibilities,

[Signature] Date: 4-7-2021

Amine M. Zein, D.O.  
Radiation Safety Officer
