Subject: Supplement to Application for Order Approving Indirect Transfers of Control of Licenses in Connection with Internal Corporate Reorganization

References: Letter to NRC, "Application for Order Approving Indirect Transfers of Control of Licenses in Connection with Internal Corporate Reorganization" (ML20324A058)

Dear Sir or Madam:

In the application for Order approving indirect transfers of control of Licenses in connection with internal corporate reorganizations, submitted on November 19, 2020 (Reference). Mr. Sam Shakir is specifically listed as President and CEO for "Orano USA LLC" and "Orano Decommissioning Holdings LLC". Mr. Shakir is also listed as an Officer and Vice President for "Accelerated Decommissioning Partners, LLC", "ADP CR3, LLC" and "ADP SF1, LLC". Mr. Shakir has since left Orano USA and has been replaced by Mr. Amir Vexler, who is President of Orano TN Americas. Mr. Vexler, as the President and CEO of Orano USA LLC, will serve in the same capacity as Mr. Shakir in the application for Order approving indirect transfers of control of Licenses in connection with internal corporate reorganizations, submitted on November 19, 2020. Mr. Vexler is a United States Citizen and this leadership change does not affect the Negotiation Action Plan approved for ADP CR3, LLC.

Attached is a brief description of the roles and responsibilities of the new Orano USA President and CEO, Amir Vexler.

This letter contains no new regulatory commitments.

If you have any questions regarding this submittal, please contact Mr. Mark Van Sicklen, Licensing Manager, at (352) 436-5572.

Sincerely,

Phyllis A. Dixon  
ISFSI Manager

Attachment: Amir Vexler, President and CEO Orano USA

Regional Administrator, Region I  
State of Florida

## Amir Vexler

President and CEO  
Orano USA

Amir Vexler is the President and Chief Executive Officer of Orano's operations in the United States providing commercial and federal customers with global expertise in nuclear materials management.

Amir is also President of TN Americas, Orano's industry leading provider of used nuclear fuel management, storage and transport.

With extensive international experience in the electric power industry, Amir's career includes manufacturing, engineering services, commercial operations, and business development.

Prior to joining Orano in 2019, Amir's leadership roles at Global Nuclear Fuel included chief executive officer, chairman of the board, chief operating officer, and vice president of Manufacturing/Supply Chain. Amir also held senior leadership positions with GE-Hitachi and the former GE Canada Nuclear Products.

Amir earned a Bachelor of Applied Science degree in Mechanical Engineering from the University of Toronto and an MBA from the Wilfrid Laurier University.
