Margaret,

Per our discussion today, please follow the NRC Box link below to access the document on "Acceptance Review Discussion Items" regarding the Graphite Materials Qualification topical report. We look forward to a more detailed discussion of this information with Kairos staff in a closed meeting. Let us know of any proposed dates and times to schedule the meeting, and I will make the necessary arrangements with the NRC staff to coordinate it.

Also, please confirm via email that you have been able to access the document in NRC Box. Should you have any questions do not hesitate in contacting me at your earliest convenience.

Regards,
Richie
