**Telephone No.** Conference Call

**Subject:** Requesting additional information to determine if proposed transaction is a change of control  
(NOTE: This will be used as the Documents Title in ADAMS)

Brett Klukan and I had a conference call with the senior management of PharmaLogic Holdings Corp. and Webster Capital (the parent companies to the above referenced licensees) and their attorneys from Reed Smith and Goodwin Law. We wanted to make a determination if their planned equity transaction constituted a transfer of control. Based on the information discussed during the call, Mr. Klukan and I were in agreement that it was not a transfer of control. PharmaLogic will document what we discussed for our records. These actions can be processed as a notification instead of a change of control.

**Action Required: Wait for additional information and then process as notifications. File telephone log.**
