Subject: Concerning the RSO of the NRC License
Discussion: Mr. Jason vonEhr of the NRC contacted Ms. Ashley Loos of Rettew Associates, Inc. to clarify the question of the RSO for the NRC license. The licensee’s amendment request, dated March 30, 2021, was signed by Ms. Loos with the listed title of “Radiation Safety Officer,” and the amendment request did not involve a change in the RSO for the license. The active license amendment listed Mr. Peter DeBari as the RSO for the NRC license. In the phone call, Ms. Loos stated that she and Mr. DeBari were essentially co-RSOs and shared the burden and responsibilities associated with these titles, and based on the description there appeared to be no apparent violation, and further concerns with the issue. Mr. vonEhr further shared with Ms. Loos that a higher level of management or leadership would need to sign the amendment request.

Action Required: The “Co-RSO” for the licensee, Ms. Loos, committed to re-submitting the amendment request with the approval and signature of an adequate representative for the licensee.
