Dear Mr. Trottier:

We have reviewed your application requesting to terminate the NRC License No. 21-24662-01 for Tooltech Machinery, Inc. In order to terminate the license, we will need a copy of the licensed material transferring receipt to confirm that all licensed material has been properly transferred in accordance with Title 10 of the Code of Federal Regulations (10 CFR) 30.41, "Transfer of byproduct material".

You could email a copy of the receipt confirming that Trijicon, Inc. has received your license material to frank.tran@nrc.gov. As always, you are welcome to mail the response to Materials Licensing Branch, Attn: CN624777, 2443 Warrenville Rd., Suite 210, Lisle, IL 60532 as you wish.

I would appreciate if you could provide the response by May 5, 2021.

If you have any questions, please reply to this email or call me at 630-829-9623.

Thank you,

Frank Tran
