Dear Mr. Western:

We have reviewed your amendment request dated March 11, 2021 requesting authorization for Ms. Jessica Jacobs to be a user listed in the NRC License No. 34-32840-01 for Cardinal Health 414, LLC.

Based on Section 8.7.2, "Individuals Authorized To Handle Licensed Material", in NUREG-1556, Volume 21, Revision 1, in addition to the training and experience (radiation safety training and hands on training) with the proposed licensed material and activities, the proposed user should have a college degree at the Bachelor level or equivalent training and experience in physical, chemical, or biological sciences or in engineering.

Please provide a copy of the B.S. degree diplomat for Ms. Jacobs or equivalent training and experience in physical, chemical, or biological sciences or in engineering.

We would appreciate if you could provide the response by May 21, 2021. If you have any questions, please feel free to reply to this email or call me at 630-829-9623.

Thank you,

*Frank Tran*
