Dear Ms. Ullrich,

Effective December 31, 2020, Duffield Associates, Inc changed corporate structure and name to Duffield Associates, LLC. There was also an asset sale to Hull & Associates, LLC and Duffield is now 100% owned by Hull & Associates, LLC. Hull & Associates, LLC an Ohio Based LLC (Hull) which is owned by National EC Services, Inc., a Delaware Corporation which is in turn owned by RTC Environmental Services, LLC (RTC), a Delaware LLC. With the acquisition of Duffield, Hull is an organization with approximately 285 employees and \$64M in annual revenue with offices in eight states focusing on environmental assessment and remediation, water and resource management, environmental protection, civil and transportation engineering.

There is no longer a Board of Directors at Duffield since the change to an LLC as the Board of Directors is National EC Services, Inc. level. Chris Lee is the Sole Manager for Hull and Gerry Salontai is the CEO.
