Dear Deputy Director Clark:

Enclosed are copies of the revisions to the proposed Illinois 32 Ill. Adm. Code Parts 330 and 335. The Agency anticipates the proposed revisions will be made available for public comment in August 2021 with a request for comments over a 45-day period. We request NRC's comments by July 5, 2021. The proposed regulations are identified by line in/line out text (or similar identification) and correspond to the following equivalent amendments to NRC's regulations.

<u>Rats ID</u>	<u>Title</u>	<u>State Section</u>
• 2020-2	Social Security Number Fraud Prevention	32 Ill. Adm. Code 335
• 2018-1	Medical use of Byproduct Material – Medical Event Definitions, Training and Experience, and Clarifying Amendments	32 Ill. Adm. Code 335 32 Ill. Adm. Code 330

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Nuclear Material Safety and Safeguards (NMSS) Procedure SA-200.

If you have any questions, please feel free to contact me at (217) 785-9928 or Gary.Forsee@Illinois.gov.

Sincerely,

Gary Forsee, Head
Radioactive Materials Section
