Hi Mike,

We acknowledge your email dated May 10, 2021, stating that you plan to submit responses to RAIs 28 and 29 in our letter dated March 30, 2021 (ML21047A468) by May 19, 2021. I will add this response email to ADAMS to document this date.

We are reviewing the other responses provided in your letter dated April 28, 2021 (ML21126A150), but based on a preliminary review, we noted that some other responses also appear to be missing, or may be insufficient, and some new TS changes are also proposed. It is possible that a clarification letter will be needed on those responses, which could affect the review completion date. We will plan to update on the review completion date, if necessary, in a clarification letter or other letter following review of the April 28, 2021, submittal and the RAI 28 and 29 responses.

Thanks,  
Ed
