Dear Mr. Elliott,

In response to your request of a presentation to be performed by Prime NDT Services, Inc.. I understand this presentation was a corrective action required by the NRC and should be performed at a training event or a widely attended meeting. Due to Covid-19, we do not have a schedule for such events in the near future. We are running only required qualification classes of small numbers with essential personnel only on site.

I am sorry we cannot fulfill your request at this time.

Sincerely,

  
Stephen McElhannon
