Greetings,

Ref: FINAL Request for Additional Information and Requests for Confirmation of Information – Point Beach SLRA Environmental Review (EPID No. L-2020-SLE-0002)

Thank you for including the Nottawaseppi Huron Band of the Potawatomi in your consultation process. From the description of your proposed project, it does not appear as if any cultural or religious concerns of the Tribe's will be affected. We therefore have no objection to the project. Of course, if the project scope is significantly changed or inadvertent findings are discovered during the course of the project, please contact us for further consultation.

Very Respectfully  
Douglas R. Taylor
