**SUBJECT:** Amendments to registration certificate NR-0536-D-110-B

Dear Mr. Herrera,

PerkinElmer is requesting the following amendments to registration certificate NR-0536-D-110-B:

1. Modification of the manufacturer's address listed on Page 1 of the registration certificate. The new manufacturer's address is:

PerkinElmer Singapore Pte, Ltd  
2 Tukang Innovation Grove #04-01,  
JTC Medtech Hub @ Medtech Park  
Singapore 618305

This change did not affect the devices, and no changes were made to the detector cell assemblies since the last amendment. There have been no changes to the commitments made as part of PerkinElmer's quality assurance program as it relates to the new manufacturing location.

2. Transfer to inactive status of the model Voyager

The model Voyager was sold to INFICON in 2011 and PerkinElmer has no ongoing intent to distribute this model. Since the transfer of ownership, PerkinElmer has not sold Voyager devices, and PerkinElmer is not providing services to users of this model. PerkinElmer is not aware of any changes made to the Voyager model since its transfer to INFICON.

Should you have any questions, please contact our consultant Jean Geslin, by phone at (603) 686-3039 or by email at [jageslin@radsafety.com](mailto:jageslin@radsafety.com).

Regards,

Elizabeth Honcharik | Senior Manager, Environmental, Health and Safety | Radiation Safety Officer

PerkinElmer | For the Better
