Mr. Linton,

Homestake Mining Company of California (HMC) is clarifying our referenced request for additional information response regarding "RSO or equivalent" training and qualifications. HMC will adhere to our Materials License SUA-1471 requirements as stated in License Condition 21: "The radiation protection administrator who is responsible for conducting the site radiation safety program, shall possess the minimum qualifications as specified in Section 2.4.1 of Regulatory Guide 8.31, 'Information Relevant to Ensuring that Occupational Radiation Exposures at Uranium Mills will be As Low As Reasonably Achievable.' "

Please let me know if you have any questions or concerns.

Respectfully,

**Brad R. Bingham, Closure Manager**
