Subject: Acceptance review of Honeywell Metropolis Works License Amendment Request to Grant Exemption from the 2021 Graded Emergency Response Exercise required by 10CFR40.31 (3) (xii) - Exercises.
Date: Friday, May 21, 2021 10:36:00 AM

Dear Mr. Patterson:

The U.S. Nuclear Regulatory Commission (NRC) staff has received your submittal dated April 30, 2021, as supplemented on May 7, 2021 related to a Honeywell Metropolis Works License Amendment Request to Grant Exemption from the 2021 Graded Emergency Response Exercise required by 10CFR40.31 (3) (xii) - Exercises.

We have completed our acceptance review of your submittal and have identified no administrative omissions or deficiencies that would prevent us from proceeding with a detailed review. Your submittal has been assigned Enterprise Project Identifier (EPID) L-2021-LLA-0080. Please reference this EPID number and Docket Number 40-3392 in any future correspondence associated with this request.

Please note that the NRC staff's technical review of your submittal may identify issues that require additional information. Based on our preliminary evaluation and projection of current review schedules, we anticipate completing our formal review by July 1, 2021. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule. In addition, the NRC staff estimates that completing the review of your submittal will require up to 40 staff hours, which corresponds to about \$11,120.00 (\$278.00/hour).

In accordance with Title 10 of the *Code of Federal Regulations*, Section 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this email will be available electronically for public inspection in the NRC Public Document Room, or from the Publicly Available Records component of the NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room). If you have any questions regarding this communication, please contact me at 301-415-8740 or by email at David.Tiktinsky@nrc.gov.

Sincerely,

David Tiktinsky, Senior Project Manager
