1. This letter provides approval of reference (a).

2. Background: In accordance with reference (b) contract for
dismantlement and disposal of the Surface Ship Support Barge
(SSSB), APTIM Federal Services, LLC provided reference (a) to
NAVSEA (PMS 312) for review and acceptance. Reference (a)
provides a Transport Plan for movement of the SSSB from Norfolk
VA, to Alabama Shipyard in Mobile, AL.

3. Discussion:

a. Reference (c) provides requirements which will be met
for transport of the SSSB from Pier 10 at Colonna's Shipyard in
Norfolk, VA to Alabama Shipyard in Mobile AL, via open ocean
deck barge. SEA 00C has reviewed the transport plan and
completed inspection of the barge to concur in the barge being
ready to transport the SSSB to Mobile, AL.

b. Reference (d) provided approval of the heavy-lift
transport to Mobile AL, and removing direct linkage to the
Decommissioning Work Plan Approval.

4. Action: PMS 312 approves reference (a).
