PG&E Diablo Canyon Power Plant (DCPP)
Receiving Water Monitoring Program 2020 Annual Report

Enclosed is the Receiving Water Monitoring Program (RWMP) 2020 Annual Report for DCPP. This report presents the physical and biological data collected in the RWMP for the applicable monitoring surveys. Per prior agreement, no analysis or interpretation of the data was performed. Tables in the appendices provide summary statistics for each program task.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to ensure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, I certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

If you have any questions or concerns regarding the enclosed report, or require additional information, please contact Bryan Cunningham at (805) 545-4439.

Sincerely,

Cary Harbor
Station Director - Diablo Canyon Power Plant
