Good afternoon Dr. Hancock,

I have reviewed your request dated 4/22/21 to remove Gd-153 sources from your license.

In a signed and dated, please provide the dates when sources were last used, the last leak test results before the sources were disposed, and documentation of disposal of the source/s. Also provide documentation that the source/s were received by an authorized recipient, if applicable.

Let me know if you have any questions.

Please provide your response by May 27, 2021.

You may provide your response as a pdf via email directly to me.

Thank you

Magdalena Gryglak
