Subject: [External_Sender] CONTAMINATION

You want to grant a license amendment to the company set to dispose of the mine waste, allowing it to dump waste within the Navajo reservation, a cheaper option than disposing of it off site.

You are also trying to remove the "potential threat waste" (PTW) designation from the environmental impact statement.

STOP THIS PLAN!

I thought we got rid of trump and his cult. Stop acting like he is still in charge

Doug
