Re: Request for additional information for NRC License No. 21-18816-01, Docket # 625351

In response to the additional information regarding a copy of the status from the regulatory state agency website for medical license issued for the proposed authorized users, the response is the following per ODH Radioactive Materials Supervisor (email dated 4/20/2021):

1. "Toledo Hospital is in good standing with Ohio, and the active amendment is number 36."
2. "Ohio restricts access to our radioactive materials licensing system and does not publish a licensee's status."

If you have any questions, please do not hesitate to contact me at 419-291-4183 or sven.gallo@promedica.org

Sincerely,

Subject: [External_Sender] RE: Request for additional information for NRC License No. 21-18816-01

Mr. Tran,

Toledo Hospital is in good standing with Ohio, and the active amendment is number 36. Ohio restricts access to our radioactive materials licensing system and does not publish a licensee's status. Please contact me if you have any questions regarding Ohio's RAM licenses.

Sincerely,

Michael J Rubadue

Good morning Mr. Tran,

I spoke to Mike Rubadue (Supervisor – Radioactive Materials) from the Ohio Department of Health via phone. Mike recommended for me to forward this email to him and he will help validate your request below, as the information may be limited.

Thank you and please let me know what if anything else is required. Once we have this info, I can put it in writing and sign. Can I email this to you directly?

Sven
