**SUBJECT:** Annual Financial Report and Certified Financial Statement  
Vermont Yankee Nuclear Power Station  
Docket Nos. 50-271 and 72-59  
License No. DPR-28

Dear Sir or Madam:

10 CFR 50.71 (b) and 10 CFR 72.80(b) require that each licensee shall submit its annual financial report, including the certified financial statements to the Commission unless the licensee submits a Form 10-Q with the Securities and Exchange Commission or a Form 1 with the Federal Energy Regulatory Commission. Since neither of these forms are submitted to the aforementioned commissions, NorthStar Vermont Yankee, LLC, on behalf of NorthStar Group Services, Inc., hereby submits the annual financial report in the form of Consolidated Financial Statements and the accompanying Report of Independent Auditors.

Attachment 1 to this letter is an affidavit prepared in accordance with 10 CFR 2.390 requesting that the confidential commercial and financial information provided in Attachment 2 be withheld from public disclosure.

Attachment 2 contains the annual financial report in the form of Consolidated Financial Statements and the accompanying Report of Independent Auditors to meet the requirements of 10 CFR 50.71 (b) and 10 CFR 72.80(b).

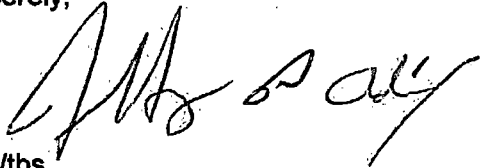

When separated from Attachment 2, this cover letter and Attachment 1 are decontrolled.

This letter contains no new regulatory commitments.
