RE: License Amendment Request for US NRC Exempt Distribution License 42-35093-01E and Exempt Device Registration Certificate NR-1385-D-101-E to change Address of Distribution Location.

Dear Mr. Herrera:

Techcomp USA Inc., DBA Scion Instruments, is submitting an Amendment request to our US NRC distribution license 42-35093-01E, and device certificate NR-1385-D-101-E, in order to change the address location of distribution and manufacturer. This information is as follows:

1. The current US distribution location is:

***4801 Southwest Parkway, Suite 125
Austin, TX 78735.***

2. The new US distribution location is:

***11840 West Market PL., Suite K - L
Fulton, MD 20759***

The intention of Techcomp is to establish the new address as of July 1st. 2021.

In addition to that our factory in The Netherlands have been change address, and it should be updated on the Registry of Radioactive Device:

1. The current old Netherland Factory location was:

***Techcomp Europe Ltd.,
DBA Scion Instruments
Stanleyweg 4
4462 GN Goes
Netherlands***

A handwritten signature in blue ink, appearing to be 'JLL', located in the bottom right corner of the page.

2. The new Netherlands Factory location is:

***Techcomp Europe Ltd.,
DBA Scion Instruments
Amundsenweg 22-24
Goes 4462 GP
Netherlands***

At the same time, we are sending a Termination Request Letter for the Radioactive Materials License from the **State of Texas** for possession of Electron Capture Detectors incident to exempt distribution as well as we are initiated the process for a new license from the **Maryland State** Department of the Environmental.

We understand the implications of the change of address and the time it takes to re-establish the distribution process at the new location, but we had no alternative with the dates and acceptance of the lease by the new Landlord.

If you have any questions, please do not hesitate to contact me directly at 512-215-8335 Ext 8004 or email at lazaro.casanueva@techcomp-am.com.

Sincerely,

Lazaro Casanueva
