Dear Sir or Madam:

This communication is to request an amendment to the Radiation Safety Officer (RSO) listed on our license noted above. Please update RSO to Ms. Patricia Miceli, replacing Mr. Neale Parkinson.

Ms. Miceli has worked alongside Mr. Parkinson for many years and has acquired the necessary certification, qualifying her to be named as RSO. She received her initial certification in 2006, and in 2018 attended Oak Ridge Associated Universities (ORAU) for additional training and certification. Please find her ORAU awarded certificate attached.

Should you have any questions or concerns, please contact me directly at 770-494-3760.

Regards,
