RE: Notification of practice merger for NRC Materials License #06-30260-01.

---

Dear Sir or Madam:

Our practice is joining the Hartford HealthCare system. We anticipate that our practice will merge into and become part of the Heart & Vascular Institute for Hartford HealthCare on July 1, 2021. At that point in time our NRC licensed activities will transfer to supervision and management under the Hartford HealthCare license.

Please advise us of any details your office requires for this action and we look forward to a continued safe and effective program with licensed materials within the Hartford HealthCare system.

Respectfully Submitted,

  
Carolyn Kosack, M.D. & RSO
