

Note To File - Corrected Copy

Licensee Name: Raleigh General Hospital
License No. 47-18046-01
Docket No. 03014390
Mail Control No. 602371

Purpose: During preparation for a routine inspection of this licensee it was determined that the license had a typo with regard to one Authorized User's authorization. Specifically, it was determined that Authorized User(AU) C. Richard Daniel Jr, M.D. was accidentally authorized for all of 10 CFR 35.300 and also a limited authorization for I-131 less than 33 millicuries. Therefore, his authorization must be corrected to list the correct use. Additionally, all other AU authorizations should be checked to ensure accurate and up-to-date with current guidance.
