Dear Chairwoman Svinicki,

This letter confirms that David Stradinger serves as North Dakota's Liaison Officer to the U.S. Nuclear Regulatory Commission effective December 1, 2020.

Please continue to provide program and activity updates to Mr. Stradinger and maintain existing communications with the individuals at state agencies with whom you have established relationships for specific issues.

Thank you for your ongoing work to provide information on nuclear regulations and related public health and safety matters through these key relationships.

With gratitude,

A handwritten signature in blue ink, appearing to read "Doug Burgum", is written over a faint, mirrored watermark of the signature.
