---

I am going to ask for 60 days with the goal of getting it done in 30. Thank you!

I will issue a letter granting the extension but I need to know how many days you need (30 days, 60 days).

**Subject:** [External\_Sender] Re: NRC request for additional information

Good morning Roberto,

I would like to ask for an extension on the request for additional information due to a significant shortage in staff. We are working to gather the answers to the questions asked by the NRC, but will be unable to meet the July 7th deadline.

Thank you for your time and patience.

Cheers,

Suzy

Dr. Arnette:

I have initiated the technical review of your amendment request letter dated May 3, 2021, and additional information is needed to complete the review process.

See attached letter which is being sent by email only.

Thank you for your cooperation.
