**SUBJECT: GOVERNMENT-TO-GOVERNMENT MEETING REGARDING THE INDIAN
POINT POST SHUTDOWN DECOMMISSIONING ACTIVITIES REPORT**

Dear Senator Schumer:

You are cordially invited to attend a non-public Government-to-Government Meeting hosted by the U.S. Nuclear Regulatory Commission (NRC) for representatives of Federal and State agencies and departments as well as local agencies and government organizations from the communities surrounding the Indian Point Energy Center (IPEC). At this meeting, the NRC will discuss the NRC review process for the licensee's Post Shutdown Decommissioning Activities Report (PSDAR).

The NRC is providing this information in advance of the public PSDAR meeting scheduled for later that evening. The Government-to-Government Meeting will be limited to government officials, or their representatives, to best facilitate an open discussion. We would like to use this occasion to listen to your perspective and answer questions on issues you believe are important as they relate to Indian Point.

The Government-to-Government Meeting will be held from 2:30 p.m. to 4:30 p.m. on Thursday, July 29, 2021, at the Sleepy Hollow Hotel and Conference Center (previously the DoubleTree Hotel), located at 455 South Broadway, in Tarrytown, NY. The meeting will be in the Westchester Ballroom. Registration will begin at 2:00 p.m. Please RSVP by emailing or faxing the enclosed form to Doug Tiff at Doug.Tiff@nrc.gov or 610-337-5241 by July 20, 2021. You may also provide additional topics you would like us to consider adding to the agenda on the form as well. Please let us know if you would like some time on the agenda to make a presentation. To register, please indicate if you will attend in person or send a designated representative in your place. We respectfully request that you limit participation to one individual.

We look forward to meeting with you on July 29th. If you have any questions about our planned meeting, please contact Doug Tift at 610-337-6918 or Doug.Tift@nrc.gov.

Sincerely,

/RA/
