Telephone Conversation Record

Date: July 6, 2021

License No. 52-31107-01

Docket No.(no hyphens): 03037094

Mail Control/Report No. 626912

Licensee Name: Ferrovia Agroman, S.A. (tbd: Ferrovia Construcción PR, LLC)

Participant(s) Name/Title: Fernando Cortés Castro

Work Telephone No. (787) 725-5505

Business Cellphone No. N/A

NRC Representative Name/Title: Jason vonEhr, Health Physicist, & Juan Ayala, Health Physicist

Subject: Concerning the Renewal of the Subject Licensee's NRC License

Discussion: Mr. vonEhr and Mr. Juan Ayala discussed the licensee's response to the NRC's Request for Additional Information, dated June 14, 2021 (ADAMS Accession No. ML21165A269). In particular, the licensee submitted, as part of its response, two facility diagrams that were not clearly associated with the two locations requested to be authorized on the license as locations of use. The licensee confirmed the two facility diagrams were of the requested locations of use.

In addition, the two NRC representatives discussed the question of the name change, and the licensee's lack of formal response to that item from the June 14, 2021, Request for Additional Information. After confirming the prior-understanding that the change was a name-change-only, and involved no changes to the control of the license, the licensee provided a signed-letter with similar language back for inclusion on the docket.

Action Required: NRC to complete the license renewal processing.
