Subject: Request additional information for NRC License No. 34-00507-16
Date: Friday, May 28, 2021 12:55:00 PM

Dear Mr. Blasio:

We have reviewed the license amendment request dated April 26, 2021. We will need the following information.

1. Manufacturer and model of the sources. Are they NIST standard sources containing thorium-230?
2. Will those sources be used by, or under supervision of individuals listed in License Condition 11.A?

To continue review of your application, we request that you submit your response with date and authorized signature to this correspondence within 30 calendar days from the date of this email. In your response, please refer the license number, docket number and Mail Control No. 625679.

If you have questions, require additional time to respond, or require clarification on any of the information stated above, please contact me at 630-829-9623 or reply to this email.

In accordance with Title 10 of the Code of Federal Regulations (10 CFR) 2.390 of the NRC's "Rules of Practice," a copy of this correspondence will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.
