Good morning Mr. Ochieng,

I have reviewed the licensee's request dated 5/12/21 to name you as the RSO on the NRC license no. 21-35539-01.

Please resubmit your letter dated May 12, 2021 with Mr. Thering's signature attesting that you have experience and performed RSO duties for over a year under his supervision (you may also submit a new letter signed by Mr. Thering).

Also, please sign and date the attached document (Delegation of Authority) and have senior management sign it as well.

Please acknowledge receipt of this email.

Please submit the response as a pdf file via email directly to me.

Thank you
